

An Agreement of Collaboration

Between Kurortny District of St.Peterburg (Russian Federation) and the Municipality of Netanya Israel AKA "Sides".

Both cities collaborate and have mutual interests. The "Sides" are both interested –based on these ties to collaborate in fields of Society and Education and want to exchange information and have social collaboration.

The collaboration will be between two schools: School 433 signed by Ms Elena Volkova , Director of Kurortny district Gymnasium No.433

And Itamar School whose headmaster is Ayelet Zinger Shutzman and all will be under the restriction and authorization of the Israeli Ministry of Education.

As it is acceptable by both sides in order to deepen the ties and the collaboration and herewith are the understandings.

Bothe "Sides" will act only according to their authority and under their laws: 433 school under Russian laws and Itamar under Israeli law. Within this frame fruitful collaboration which suits both sides – ideas to forward peace, social responsibility and keeping friendship between "Sides".

The "Sides" will exchange opinions and declarations in fields which are agreed upon, will hold work meetings, discussions and ideas, implement plans which are acceptable on both sides in order to find a mutual base. If needed the "Sides" will form a committee which will act upon the spirit of the agreement.

The agreement will not harm previous agreements which were signed by the "Sides" with a third party. If there will be disagreements between the "Sides", they will be solved in mutual discussions till finding a solution.

This agreement will be valid from the moment it was signed for two years. It can be ended only if one "Side" advises the other six months ahead of time. Ending the agreements which were signed in the spirit of ideas which relate to the agreement. without a written notice the agreement will continue automatically for two more years.

Amendments to the agreement will be done in writing and will continue automatically for two more years.

Any amendment to the agreement will be done in writing and will need the mutual understanding of both "Sides" by signing another agreement. It will be signed in two copies in the place and time mentioned hereunder.
